

day one reflections

Daniel Jackson · Autodesk, Boston · March 17-18, 2025

congratulations on completing the first day!

first, a quick survey

<https://tinyurl.com/ad-day-one-feedback>

second, an open discussion

what questions do you have?

about concept design?

its relation to other approaches?

the examples we looked at?

what ideas do you have?

about how to use concept design?

applying concepts in your work

what do you need going forward?

more explanations? examples? resources?
